Trelleborg's divestment of Czech automotive component operation finalized

Trelleborg Group has finalized the divestment of a Czech operation in automotive components to Kaprain. The operation is deconsolidated as of today.

The operation reported annual sales of approximately SEK 450 M in 2022 and made a minor loss. The divestment, recognized under Group activities, has only an insignificant impact on the group's EBITA and profit after tax.

The press release about the divestment was published on October 25, 2023.
