About Marel

Marel (NASDAQ: MAREL; AEX: MAREL) is a leading global provider of advanced food processing equipment, systems, software, and services to the poultry, meat and fish industries. In line with its 2017- 2026 growth strategy, Marel has gradually expanded its business model into adjacent industries, where most recently the acquisition of Wenger has added a fourth pillar focused on pet food, plant-based protein and aqua feed. Our united team of around 8,000 employees in over 6 continents delivered EUR 1.7 billion in revenues in 2022. Annually, Marel invests around 6% of revenues in innovation. By continuously transforming food processing, we enable our customers to increase yield and throughput, ensure food safety and improve sustainability in food production. Marel was listed on NASDAQ Iceland in 1992 and dual-listed on Euronext Amsterdam in June 2019. For further information, please visit marel.com/ir.
