

WPTG publishes monthly revenue for December 2025

Stockholm, Sweden, 2026-01-16 – White Pearl Technology Group AB (WPTG), a Swedish Global Tech Company, today publishes its consolidated monthly revenue figures for December 2025. This disclosure forms part of the Company's continued commitment to enhanced transparency and timely market communication.

Monthly revenue performance:

- December 2025: SEK 51.4 million

Business performance across the Group's operating segments continues to develop in line with management expectations, supported by both organic growth and recent acquisitions. WPTG expects to publish an updated 2026 forecast later in January.

Important information

Monthly revenue figures are provided as unaudited management information and are intended to complement, not replace, the company's interim and annual financial reporting prepared in accordance with applicable accounting standards.
