
CEO and CFO subscribe to warrants

In accordance with the decision at the extraordinary general meeting on March 28, 2024, Freemelt has established a long-term incentive program by issuing warrants – “series 2024/2028”. The CEO and CFO have subscribed to a total of 2 000 000 warrants, which results in subscription of the maximum amount. The potential dilution is 2.8%.

Daniel Gidlund , CEO: 1,500,000

Martin Granlund, CFO: 500,000

The Board of Directors considers an incentive program to be advantageous for the group and the company’s shareholders.

About Us

Freemelt is a deep-tech, green-tech company whose groundbreaking solution creates new opportunities for rapid growth in 3D printing, also known as additive manufacturing (AM). AM is a technology under substantial growth, revolutionizing the traditional manufacturing industry by offering a sustainable production process with optimized product design, shorter lead times, minimal material waste, and reduced environmental impact. Freemelt's protected technology enables more cost-effective 3D printing with consistent and high quality. A open-source approach will provide conditions for significant growth and expansion into new manufacturing markets. Freemelt was founded in 2017, is listed on Nasdaq First North Growth Market, headquarters in Mölndal, has a manufacturing unit in Linköping, and sales offices in the Netherlands and the USA.
