# Linkito – first game published under Playdigious Originals

**Fragbite Group AB's (publ) ("Fragbite Group") wholly-owned subsidiary Playdigious is today releasing Linkito – the first game published and released under the Playdigious Originals business unit and publishing label.**

*Linkito* is a puzzle game developed by Kimeria Games and published by Playdigious Originals. Playdigious Originals was launched in June 2023 as a new business unit and label for publishing of original indie games on PC and console. *Linkito* is the first title releasing under the new label which currently has two more games in the pipeline out of which one, *Fretless*, has been announced.

The release of *Linkito* follows a promotion period during which the Playdigious Originals team has worked with international partners to market the game, primarily focusing on collaborations with gaming influencers and participation at high-profile events such as Pax East and Steam Next Fest.

*"Linkito has a unique and extensive gameplay that supports user-generated content, something which I believe will ensure that it has a long commercial lifetime. We are very happy to bring this exciting game to the puzzle gaming community!"* says Abrial Da Costa, CEO, Playdigious.

*Linkito* has today been made available for purchase via global distribution platform Steam.
