

## Resurs launches new corporate savings account with market-leading terms

**Resurs introduces its latest corporate savings account. With an interest rate of 3.70% and free withdrawals, it is one of the market's most attractive and flexible options.**

Resurs has long been able to offer the private market many of the most favorable savings options. As part of Resurs developed corporate offer, corporate savings account is now being launched on the market.

With advantages such as 3.70% variable interest, free withdrawals and no commitment period, corporate savings account is an attractive option for companies who are looking for a return on their liquidity in combination with the freedom to be able to make withdrawals when needed for the business.

– We know that many small and medium-sized companies today have significant amounts with low or no interest at their bank. In line with our strategic direction to strengthen our corporate offer and to equip the company for the future, I am proud that we can now offer one of the market's best deposit options for the country's companies, says Magnus Fredin, CEO at Resurs Bank.
