

Tamtron Group Plc's share buyback programme has ended

Tamtron Group Plc | Company Release | January 02, 2025 at 10:00:00 EET

The Board of Directors of Tamtron Group Plc decided to start a share buyback programme on 21 October 2024 based on the authorization given by the Annual General Meeting on 11 April 2024.

Tamtron Group Plc has now completed the share buyback programme. The repurchases of own shares begun on 24 October 2024 and ended on 30 December 2024. During this period Tamtron Group Plc acquired 25,080 pcs of own shares with an average price of 5.6938 euros per share. The shares were acquired in public trading at the market price at the time of acquisition on Nasdaq First North Growth Market Finland marketplace.

The repurchased shares may be used among others for development of the Company's capital structure, and use of shares as a part of Company's share-based incentive schemes, acquisitions or other similar purposes determined on by the Board of Directors.

Tamtron Group Plc has a total of 7,293,376 shares and currently holds in total 25,080 pcs of its own shares.
