Gunilla serves on the board of a number of companies in the pharmaceutical industry such as Emplicure AB (publ), Corline Biomedical AB (publ), Strike Pharma AB and Disruptive Pharma AB.

Re item 8 Appointment of auditor.

The board of directors proposes that Deloitte Statsautoriseret Revisionspartnerselskab be re-appointed.

Re item 9 Any proposals received

The board of directors recommends that the general meeting take a position on the following proposals.

Re item 9.1 Presentation and advisory vote on the Remuneration Report for 2021

The Board of Directors proposes that the Remuneration Report 2021 is adopted by the General Meeting by advisory vote. The Remuneration Report 2021 is available on the Company's website at <https://www.initiatorpharma.com/en/annual-general-meeting-2022/>.

Re- item 9.2. Proposal from the board of directors regarding approval of the updated remuneration policy of the Company.

The board of directors proposes that the general meeting approves the Company's new remuneration policy. The new remuneration policy introduces an option for the Company to indemnify members of the board of directors and members of the management board.

The remuneration policy is enclosed as **Appendix 1** to the complete proposals and is available on the Company's website at <https://www.initiatorpharma.com/en/annual-general-meeting-2022/>.

Re item 9.3 Proposal from the board of directors to introduce an option to conduct general meetings by electronic means.

The board of directors proposes that the Company's articles of association are amended in order to introduce an option to conduct general meetings as full or partial electronic meetings by amending article 7 in the Company's articles of association. Furthermore, the board of directors proposes to amend certain time indications in article 7.

The following amendment will be inserted in article 7 re. electronic general meetings:

The board of directors may, where it deems it appropriate and the general meeting may be safely held, decide that the general meeting shall be conducted exclusively electronically (full electronic general meeting). In addition, the board of directors may, under the same conditions, offer shareholders to participate electronically at general meetings, which are otherwise conducted by physical attendance (partial electronic general meeting). Shareholders can thus participate electronically, express themselves and vote at the general meeting.

Re item 9.4 Proposal from the board of directors to amend timeframes in the articles of association and conduct clean-up of outdated articles.

The board of directors proposes to amend certain timeframes in the articles of association and conduct a clean of outdated articles.

The board of directors proposes that general meetings must be convened by notice given no earlier than 4 weeks and no later than 2 weeks before the date of the general meeting via the Company's website. Consequently, the Company will not publish notice to convene general meetings in "Post og Inrikes Tidningar" og Svenska Dagbladet. As a consequence of the aforementioned, the full agenda and the proposals will be made available no later than 2 weeks before the date of the annual general meeting instead of 3 weeks. Lastly, shareholders with a minimum of 5% of the share capital may request an extraordinary general meeting instead of shareholders with a minimum of 10% of the share capital.

The board of directors proposes to delete the following inactive articles from the articles of association: Articles 4a.1, 4b, 4c, 4e, 4f, 4g, 4h, 4i, 4j, 4l, and 4n. Consequently, annex 4i will also be deleted from the articles of association.

The board of directors proposes to delete article 4d regarding remuneration policy and reflect this in a new article 14 with the following wording:

The general meeting has approved the company's Remuneration Policy for remuneration of the board of directors and management. The remuneration policy is available at the company's website.

The remaining articles will be moved accordingly subject to the proposals to amend the articles of association in items 8.4 and 8.5 below, e.g. article 4k will become 4c (and annex 4k will become annex 4c), article 4m will become 4d (and annex 4m will become annex 4d) and article 4o will become 4e.

Reference is made to the revised articles of association in **Appendix 2** (only in Danish).

The board of directors notes that the extraordinary general meeting scheduled for 18 May 2022 involves proposals to amend the articles of association. If the two proposals at the extraordinary general meeting is approved, the articles of association will be updated accordingly, e.g. the nominal share capital in case that a share capital increase takes place before the annual general meeting and the two authorisations to the board of directors outlined in the proposal to a new article 4aa and a new article 4 bb. Subject to the authorisation in item 8.9 below, the general meeting will authorise the chairman of the meeting to consolidate the articles of association with any changes decided at the extraordinary general meeting and the annual general meeting.

Re item 9.5 Proposal from the board of directors to re. authorisation to conduct capital increase with pre-emption rights

The board of directors proposes that the general meeting amend and extend the authorisation in article 4a in the Company's articles of association for 1 year. Subject to the authorisation, the board of directors are authorised to increase the Company's share capital at one or more times by up to a nominal amount of DKK 1,838,443.4 divided into shares of DKK 0.105 at market value with the existing shareholders having pre-emption rights under section 155 of the Danish Companies Act. New shares issued pursuant to the authorisation shall be subject to the same terms under the Company's articles of association as existing shares.

The board of directors proposes to delete the existing article 4.a in the articles of association and insert the following:

The board of directors is authorised until the period ending 24 May 2023, at one or more times, by resolution of the board of directors to increase the share capital with up to nominal DKK 1,838,443.4 with pre-emptive subscription rights for the Company's shareholders. Capital increases may be carried out by way of cash contribution, contribution in kind or debt conversion. The board of directors determines the subscription price that may be set at market value or at a price below market value.

All new shares issued pursuant to the authorization shall be subject to the same rules as the existing shares. The shares shall be registered in the name of the holder in the register of shareholders and shall be negotiable instruments. The shares shall be subject to the same rules on pre-emption rights, voting rights, negotiability and redeemability as the existing shares. The new shares shall be fully paid-up. The board of directors shall determine the remaining terms for the capital increases.

Re item 9.6 Proposal from the board of directors re. authorisation to conduct capital increase without pre-emption rights.

The board of directors proposes that the general meeting authorises the board of directors to increase the Company's share capital at one or more times by up to a nominal amount of DKK 689,416.276 divided into shares of DKK 0.105 at market value without the existing shareholders having any pre-emption rights under section 155 of the Danish Companies Act. New shares issued pursuant to the authorisation shall be subject to the same terms under the Company's articles of association as existing shares.

The board of directors proposes to insert the following new article 4.b in the Company's articles of association:

The board of directors is authorised until the period ending 24 May 2023, at one or more times, by resolution of the board of directors to increase the share capital with up to nominal DKK 689,416.276 with pre-emptive subscription rights for the Company's shareholders. Capital increases may be carried out at market value by way of cash contribution, contribution in kind or debt conversion.

All new shares issued pursuant to the authorization shall be subject to the same rules as the existing shares. The shares shall be registered in the name of the holder in the register of shareholders and shall be negotiable instruments. The shares shall be subject to the same rules on pre-emption rights, voting rights, negotiability and redeemability as the existing shares. The new shares shall be fully paid-up. The board of directors shall determine the remaining terms for the capital increases.

Re item 9.7 Proposal from the board of directors re. incentive programme for management ("LTI 2022").

The board of directors proposes that general meeting resolves to implement a long-term incentive program in the form of a performance-based share Investment program (the "LTI 2021") for members of the Management and leading employees as set out in **Appendix 3**.

The board of directors proposes to insert the following new article 4.f in the Company's articles of association:

The board of directors is authorised until the period ending 28 February 2025, at one or more times, by resolution of the board of directors to increase the share capital with up to nominal DKK 69,300 without pre-emptive subscription rights for the Company's shareholders directed at the Company's management board and key employees. Capital increases may be carried out by way of cash contribution. The board of directors determines the subscription price that may be set at market value or at a price below market value.

All new shares issued pursuant to the authorization shall be subject to the same rules as the existing shares. The shares shall be registered in the name of the holder in the register of shareholders and shall be negotiable instruments. The shares shall be subject to the same rules on pre-emption rights, voting rights, negotiability and redeemability as the existing shares. The new shares shall be fully paid-up. The board of directors shall determine the remaining terms for the capital increases.

Re item 9.8 Proposal from the board of directors re. incentive programme for board of directors ("LTI 2022").

The board of directors proposes that general meeting resolves to implement a long-term incentive program in the form of a performance-based share Investment program (the "LTI 2021") for members of the board of directors as set out in **Appendix 4**.

Subject to the programme, the board of directors will be entitled to buy treasury shares in the Company at a favourable price. The board of directors have a separate proposal for the authorisation to acquire treasury shares in item 8.8 below.

Re item 9.9 Authorization to the board of directors to acquire treasury shares

The board of directors proposes that the general meeting authorises the board of directors under section 198 of the Danish Companies Act to allow the Company for a period of 5 years from the date of the general meeting to purchase treasury shares representing up to 10% of the Company's share capital at the relevant time, at a price between DKK 0 and up to 10% over the share price at Nasdaq First North Growth Market at the relevant time.

Re item 9.10 Authorisation to the chairman of the meeting

The board of directors proposes to authorise attorney-at-law Lars Hagbard Grønkjær (with a right of substitution) on behalf of the company to apply the Danish Business Authority or other authorities for registration of the resolutions passed by the general meeting and in this connection to make any such amendments to the documents prepared for such resolutions that may be required for registration with the Danish Business Authority.

Draft amended articles of association are enclosed as **Appendix 2** to the complete proposals and is available on the Company's website <https://www.initiatorpharma.com/en/annual-general-meeting-2022/>.
