

Arcario AB postpones the Annual General Meeting and the Annual Report 2023

As more time is needed to finalise the audit and prepare the Annual Report 2023, Arcario AB has decided to postpone the Annual General Meeting from 13 June 2024 to 28 June 2024 as well as to postpone the publication of the Annual Report 2023 to 7 June 2024. The financial calendar has been updated accordingly.

The delay is caused by the auditors needing additional time to finalise review of the consolidated accounts and FX treatment of inter-company balances and accounting classification of crypto transactions in K33 Markets.

Arcario will convene the Annual General Meeting to 28 June 2024 separately.
