NIMBUS GROUP ADDS NEW DEALERS IN EUROPE AND ASIA

Nimbus Group AB (publ) has signed agreements with new dealers for the company's boats in Türkiye, Serbia, Malta, and United Arab Emirates. "To support our growth strategy, constantly finding new ways to reach out to customers is essential. Increasing the number of dealers and steadily improving their offering is a crucial part of this process," says Michel Bohm, Chief Marketing Officer of Nimbus Group.

Martini Performance has been a successful dealer of Nimbus branded boats on Corsica for a few years and will be the brand's first dealer in Malta. In the United Arab Emirates, Nimbus Group has signed an agreement with Class Marine.

"Through the agreement with Class Marine, we get the Group's first dealer of Nimbus branded boats in the United Arab Emirates", says Michel Bohm.

Solemarin Yatçılık will be Nimbus Group's first dealer in Türkiye and sell Flipper and Bella branded boats, both of which are part of the Nimbus Group.

"Solemarin sees great opportunities for daycruisers in the premium segment of the Turkish market and view the Flipper boats as a perfect fit.

Nimbus Group also appointed its first dealer in Serbia, where the company has formed a partnership with Galija Yachting. Galija Yachting will initially offer Alukin-brand boats in the Serbian market.
