

Qben Infra's subsidiary awarded contract valued at NOK 87.4 million

Laje AS, part of Qben Power, has been awarded a contract by Lillestrøm kommune for the maintenance and operation of street lighting and other outdoor lighting in the municipalities of Lillestrøm, Lørenskog, Nittedal, Rælingen, Enebakk, and Aurskog/Høland. The contract covers the management of 26,000 lighting points and nearly 600 control cabinets.

The framework agreement is valid for the period from 01.05.2025 to 30.04.2027, with an option for an additional 1 + 1 year. The estimated value of the contract is NOK 87.4 million over 4 years.

The closing date for submission of complaints is 25.03.2025 at 16:00, and formal contractual signing can take place after this date at the earliest.

About Qben Infra

Qben Infra invests in and develops companies within infrastructure services in the Nordics. The company operates in niche markets driven by strong growth trends, substantial government investments, and opportunities for consolidation and strong expansion – such as rail and power grids. The strategy includes driving organic growth, reinforced by selective M&A and synergy realization. For more information, visit qben.se.
