
Redeye Initiates Coverage of Insplorion

Redeye is initiating coverage of Insplorion, a sensor technology company focusing on hydrogen detection and monitoring. The hydrogen market is growing rapidly which calls for rigorous safety measures to prevent accidents. Sensors are needed throughout the value chain and Insplorion's technology has some USP's that meet vital requirements. We see good prospects for strong pricing power and profitable growth. However, our valuation range is wide, due to low predictability and high leverage.
