

Divio recruits Fredrik Hansson as CPO

Divio is pleased to announce that the company has recruited Fredrik Hansson as Chief Product Officer. Mr Hansson is a creative product manager with a solid background in the software industry where he has been working as CTO, Product Manager, Development manager, Technical manager and Solution Architect the last 25 years.

Jon Levin, CEO of Divio: "We are happy to welcome Mr Hansson as our newest team member. Given his background from 10+ years from cloud related services he will be instrumental in taking our offering to the next level."

Press enquiries

The company's Certified Adviser is FNCA Sweden AB.

About Divio Technologies

Divio Technologies AB (Publ) is the PaaS and Cloud Management Software development group behind the Divio platform, which simplifies cloud hosting, deployment and development via a PaaS solution. The platform allows enterprises to reduce costs, time to market and the burden on employees, as well as decreasing dependency on cloud vendors.
