Item 13: Resolution on approval of the remuneration report

The board of directors proposes that the annual general meeting approves the remuneration report for 2024.

Item 14(a): Resolution on the establishment of LTIP 2025

Background and purpose

At the annual general meeting on 15 May 2024, the general meeting resolved on a new long-term incentive program (“**LTIP 2024**”). As set out in the board of directors’ proposal to the annual general meeting, the LTIP 2024 was proposed to create further alignment of interest between the Company’s shareholders and the participants in the LTIP 2024 and ensure that the Company has the appropriate tools to attract and retain talent, increase motivation amongst the participants as well as promoting individual shareholding in the Company.

The board of directors has evaluated the LTIP 2024 and, based on the review, proposes that the general meeting resolves to establish a renewed annual long-term incentive program for 2025 (“**LTIP 2025**”). Based on the review, the board of directors has made certain adjustments ahead of the proposal of the LTIP 2025 to increase simplicity, attractiveness and belief in the program. The main change to the LTIP 2025 compared to the LTIP 2024 is that the number of performance criteria to be used to determine the fulfilment of the LTIP 2025 is proposed to be decreased from two to one as further detailed below. In addition, the previous and remaining performance criteria “EBITDA growth”, is proposed to be revised to “EBITA”.

It is the board of directors’ view that the LTIP 2025 will be easier for participants to measure and understand with the proposed revisions to LTIP 2024. The proposal aims to create conditions for strengthening the motivation of employees whom the group has identified as significant and trusted in the short and long term, and the board of directors considers that the LTIP 2025 is to the benefit of both the group and the Company’s shareholders.

LTIP 2025

Subject to the terms and conditions of the LTIP 2025, the Company will award restricted stock units (“**RSUs**”) free of charge to members of the Company’s group management and key employees (the “**Participants**”) as allocated by the board of directors, pursuant to the following principles.

1. The maximum number of RSUs that may be awarded is 9,247,128. Each RSU shall entitle the holder to one (1) share in the Company subject to both performance (as described below) and continued employment within the Cint group. Accordingly, the maximum number of shares available for the Participants under the LTIP 2025 shall be 9,247,128 (subject to recalculation in accordance with the terms of the LTIP 2025).

PRESS RELEASE

09 April 2025 09:45:00 CEST

2. The intention is to launch the LTIP 2025 and award the RSUs as soon as possible after the Company's annual general meeting 2025, but the board of directors shall be authorised to in its own discretion finally determine the date of award (the "**Date of Award**"). The RSUs may be awarded at one or several occasions from launch until the end of the calendar year 2025, however the total number of awarded RSUs shall never exceed the maximum number of RSUs that may be awarded subject to the terms and conditions of the LTIP 2025.
3. The RSUs will, subject to the terms and conditions of the LTIP 2025, fully vest after three (3) years from the Date of Award (the "**Vesting Date**"), subject to both (i) performance (as described below) and (ii) continued employment. The period from the Date of Award to the Vesting Date is referred to as the "**Vesting Period**". The board of directors will determine the number of vested RSUs (if any) after the Vesting Date.
4. Each vested RSU entitles the Participant to receive one (1) share in Cint. In order for the Participants to receive full allotment of the number shares under LTIP 2025, the group's EBITA shall amount to at least EUR 55 million. At the end of the Vesting Period, the group's EBITA for the financial year 2027 will be compared to the target of EUR 55 million. If the group's EBITA for the financial year 2027 equals or exceeds EUR 55 million, full allotment of the number of shares will be made to the Participants. Additionally, for any shares to be allotted at all following the Vesting Period, a minimum level must be exceeded.

The terms of the LTIP 2025 are further described below:

- a. **EBITA:** The number of vested RSUs (prior to any recalculations) on the Vesting Date depends on the level of fulfilment of the stipulated performance criteria. The performance criteria is based on the group's earnings before interest, taxes and amortisation (EBITA) during the financial year 2027 excluding any impact from acquisitions made during the period. The level of fulfilment of the performance criteria EBITA and the vesting of the applicable number of RSUs will be determined in accordance with the following:
 - i. none of the RSUs eligible to vest on the applicable Vesting Date will vest if the EBITA is *less than or amounts to* EUR 46 million;
 - ii. fifteen (15) to eighty (80) percent of the RSUs eligible to vest on the applicable Vesting Date will vest if the EBITA is *between* EUR 47 million and EUR 52 million, increasing linearly within this range;
 - iii. eighty-five (85) percent of the RSUs eligible to vest on the applicable Vesting Date will vest if the EBITA *equals* EUR 53 million;
 - iv. ninety-two point five (92.5) percent of the RSUs eligible to vest on the applicable Vesting Date will vest if the EBITA *equals* EUR 54 million; and
 - v. one hundred (100) percent of the RSUs eligible to vest on the applicable Vesting Date will vest if the EBITA *equals or exceeds* EUR 55 million.
- b. The maximum vested RSUs will in any case not exceed one hundred (100) percent of the total number of RSUs awarded.
- c. Any RSUs that are not vested at the Vesting Date will immediately lapse and be deemed forfeited without consideration.

PRESS RELEASE

09 April 2025 09:45:00 CEST

- d. The board of directors shall be entitled to determine that all or some of the vested RSUs should be cancelled or reclaimed (clawback) if the performance criteria outcome is the result of misstatement of the financial accounts or gross misconduct as well as reduce or delay vesting of RSUs if the performance criteria outcome does not reflect the underlying business performance of the Company as determined by the board of directors.
- e. The terms of the LTIP 2025 includes a condition of the Participant's continued employment within the Cint group during the Vesting Period (the board of directors shall be authorised to waive this condition under certain circumstances as determined in the board of directors' discretion).

5. The LTIP 2025 comprises in total 9,247,128 RSUs which are anticipated to be awarded to approximately 50 participants consisting of the CEO, members of group management and other key employees as decided by the board of directors. The maximum number of RSUs that can be awarded to any Participant, including the CEO, is 1,472,994.

6. In the event a Participant cannot, after the Vesting Date, receive shares from vested RSUs under applicable laws or regulations or at reasonable cost or with reasonable administrative effort by the Participant or the Company, the board of directors shall have the right to decide to settle the RSUs wholly or partly in cash. The board of directors shall also have the right to in its own discretion decide that shares and/or cash shall be withheld by the Company in order to cover or facilitate the payment of applicable taxes.

7. In the event of a change in control of the Company (meaning a party, or several parties acting in concert, acquiring shares representing more than 50 percent of the votes in the Company) or a direct or indirect sale, transfer or other disposal of all or substantially all of the business and assets, any unvested RSUs shall fully vest.

8. The board of directors shall be entitled to recalculate the maximum number of shares (per RSU and in total) in the event of intervening rights issues, bonus issues, share splits, reverse share splits, dividends or similar events, with the aim to achieve the same economic intention of the awards for the Participants.

9. The board of directors shall be responsible for the detailed terms and conditions and the administration of the LTIP 2025 within the scope and framework of this proposal. In connection therewith, the board of directors shall be entitled to adopt different terms and conditions, e.g., due to new recruitment, illness, disability, death, redundancy, contractual retirement, local rules and laws, tax regulations, or other circumstances determined by the board of directors. In addition, prior to the Date of Award, the board of directors shall be authorised to establish higher thresholds for the performance criteria and make other changes to the LTIP 2025 provided that, in the board of directors' sole discretion, the changes do not ease the requirements in the LTIP 2025 for the Participants or otherwise entail terms that are more favourable for the Participants than as set out in this proposal.

PRESS RELEASE

09 April 2025 09:45:00 CEST

10. The RSUs will have no voting rights prior to vesting, the number of RSUs will not be increased and no cash will be paid as dividend equivalent for vested RSUs.

11. The LTIP 2025 will be governed by Swedish law.

Delivery of shares and hedging

In order to ensure the delivery of shares to the Participants under the LTIP 2025, the board of directors proposes that the Company can hedge its obligations under the LTIP 2025 by entering into an equity swap arrangement with a third party, whereby the third party in its own name shall be entitled to acquire and transfer shares (including to the Participants) in accordance with the terms and conditions of the LTIP 2025.

In addition, the board of directors proposes that the general meeting resolves to issue up to 11,096,554 warrants of series 2025/2028 (see item 14(b) of the proposed agenda), which shall, if approved by the general meeting, be used as hedge instead of the equity swap arrangement described above to ensure delivery of shares to the Participants and cover any costs (including taxes and social security charges) under the LTIP 2025.

Dilution effect

The maximum dilution effect for the delivery of shares to participants under LTIP 2025 will be approximately 2.54 percent. The maximum dilution effect including warrants used as hedge instead of the equity swap arrangement, will be approximately 3.0 percent if all 11,096,554 warrants of series 2025/2028 are exercised for subscription of 11,096,554 new shares in the Company.

If the warrant settlement method proposed under item 14(b) of the proposed agenda is not approved with the requisite majority and the Company's obligations under the LTIP 2025 are settled by way of an equity swap arrangement with a third party, no dilution effect will arise.

Costs

The costs for the LTIP 2025 are based on the IFRS 2 reporting standards. The board of directors has made a preliminary cost calculation for the LTIP 2025, which is based on a share price at award of SEK 7.0 and a share price on the Vesting Date of SEK 23.1 and that the maximum number of RSUs is allocated and vested following the Vesting Period. On the basis of the above assumptions, the value of each RSU has been set at an average of SEK 7.0.

In total, the maximum costs for the LTIP 2025 amounts to approximately SEK 69.2 million, excluding costs for social security charges. With full vesting the costs for social security charges would at most be approximately SEK 110.7 million.

These main terms are also available on Cint's website www.cint.com. Other than as described therein there are no other share-based incentive schemes in Cint.

Preparation of the proposal

The LTIP 2025 has been prepared by the Company's board of directors with the support of external advisors and after consultations with shareholders. The board of directors has subsequently decided to present this proposal to the general meeting. Other than the officials who have prepared or reviewed the documentation under instructions from the board of directors, no employee who may be covered by the program participated in the design of the terms and conditions.

Authorisation

Each of the members of board of directors shall be authorised to make such minor adjustments to this resolution that may be required for the registration with the Swedish Companies Registration Office (Sw. *Bolagsverket*) and Euroclear Sweden AB. Additionally, the board of directors shall have the right to undertake minor adjustments to the LTIP 2025 due to applicable foreign rules and laws, applicable law, regulation, market practice or otherwise.

Majority requirement

A resolution in accordance with the board of directors' proposal regarding the establishment of the LTIP 2025 under this item 14(a) of the proposed agenda requires support from shareholders representing more than half of the votes cast at the general meeting.

Item 14(b): Resolution on delivery of shares under the LTIP 2025 through an issue and transfer of warrants of series 2025/2028

Under the LTIP 2025 proposed by the board of directors under item 14(a) of the proposed agenda, the Company has an obligation, subject to certain conditions, to deliver shares in the Company to the Participants in the LTIP 2025.

In order to secure the Company's obligation to deliver shares and to cover any costs (including taxes and social security charges) under the LTIP 2025, the board of directors proposes that the general meeting resolves to issue and transfer up to 11,096,554 warrants of series 2025/2028 on the terms and conditions set out below. The board of directors considers the warrant settlement method to be the preferred alternative to the equity swap arrangement with a third party included in item 14(a) of the proposed agenda since the costs for an equity swap arrangement are

significantly higher than the costs for issuing and transferring warrants. If the general meeting resolves to approve the proposed warrant settlement method under this item 14(b) with the requisite majority, the board of directors intends to not utilise the equity swap arrangement proposed under item 14(a) above.

In order to secure the Company's obligation to deliver shares under the LTIP 2025, the board of directors proposes that the general meeting resolves to issue and transfer warrants of series 2025 /2028 in the Company on the following terms and conditions:

1. A maximum of 11,096,554 warrants of series 2025/2028 shall be issued.
2. The right to subscribe for the warrants shall, with deviation from the shareholders' preferential rights, be given to the Company, with the right and obligation to dispose the warrants in accordance with the Company's obligations under the LTIP 2025.
3. The reason for the deviation from the shareholders' preferential rights is to secure the Company's obligations to deliver shares and to cover any costs (including taxes and social security charges) under the LTIP 2025.
4. Subscription for the warrants shall take place on a separate subscription list not later than on 30 June 2025.
5. The warrants shall be issued to the Company without consideration.
6. Each warrant shall entitle the holder to subscribe for one (1) new share in the Company. The exercise price for subscription for shares based on the warrants shall correspond to the quota value.
7. The subscription of shares under the warrants may take place during the period from and including 1 June 2025 up to and including 31 December 2028. The board of directors shall have the right to prolong the subscription period.
8. The new shares shall carry rights to dividends for the first time on the record date for dividends that occurs after subscription has been effected.
9. The subscription price and the number of shares for which each warrant entitles subscription may be recalculated under certain circumstances as set forth in the complete terms and conditions for the warrants.
10. Upon exercise of all 11,096,554 warrants, the Company's share capital will increase by SEK 1,109,655.4 (based on a quotient value of SEK 0.1). If the subscription price exceeds the quotient value of the shares, the excess amount shall be allotted to the non-restricted statutory reserve (Sw. *den fria överkursfonden*).
11. The Company may, pursuant to the terms of the LTIP 2025, transfer up to 11,096,554 warrants (a) free of charge to Participants (and/or a designated third party) for the purpose of enabling the delivery of shares in the Company under the LTIP 2025, and (b) at a price equal to the fair market value of the warrants as determined using a customary valuation method to a designated third party for the purpose of covering any costs (including taxes and social security charges) under the LTIP 2025.
