

PRESS RELEASE
11 January 2024 09:15:00 CET

Invitation to the presentation of Gränges' year-end report 2023

Gränges' year-end report for the period January–December 2023 will be published at 07.30 CEST on Thursday, January 25, 2024.

Investors, analysts and media are invited to a webcast on Thursday, January 25, 2024, at 10.00 CEST where Gränges' CEO Jörgen Rosengren and CFO Oskar Hellström will present the report.

Join the live webcast [here](#).

To participate in the Q&A following the presentation, please register [here](#). Upon registration, phone numbers and a conference ID to access the call will be provided. Please dial in a few minutes before the start of the webcast.

Presentation material will be available on the company's website before the webcast begins.

About Gränges

Gränges is a global leader in aluminium rolling and recycling in selected niches. We're committed to creating circular and sustainable aluminium solutions in partnership with our customers and suppliers - for a better future. Our solutions help customers grow and transition to climate neutrality. They are used for efficient climate control in transportation and buildings, electrification and battery components, recyclable packaging, and more. Gränges has production facilities and conducts sales in the regions Americas, Asia, and Europe with 2,700 employees and a total annual production capacity of 610 ktonnes. The share is listed on Nasdaq Stockholm (GRNG). More information is available at www.granges.com.
