# Award-Winning Until Then Launches Today on Nintendo Switch

**Stockholm, Sweden (June 26, 2025) – Maximum Entertainment AB (Nasdaq: MAXENT B) today announced that Until Then, the acclaimed cinematic visual novel developed by Polychroma Games, brings its emotional, mysterious journey to Nintendo Switch.**

*"The overwhelming response to Until Then is a testament to the power of thoughtful storytelling," said **Philippe Cohen, CEO of Maximum Entertainment**. "We are excited to bring this amazing story to Nintendo fans as part of a wider strategy of capitalizing on our critical and commercial successes."*

Set in a beautifully stylized pixel-art world, Until Then follows Mark Borja, a high school student trying to make sense of daily life—school, friendships, piano lessons, and social media—while confronting a creeping sense that something isn't quite right. As strange events begin to ripple through his reality, Mark finds himself on the edge of a life-changing mystery.

Players will explore an immersive, narrative-rich world filled with memorable characters, clever mini-games, and interactive storytelling. With a dynamic soundtrack and gripping, emotional storyline, Until Then challenges players to uncover the truth hidden beneath the surface—before time runs out.
