

## **IZAFE GROUP AND ATEA SWEDEN HAVE ENTERED INTO AN AGREEMENT WITH VGR IN THE FIELD OF WELFARE TECHNOLOGY**

**iZafe Group AB ("iZafe Group") announces that the agreement with the Västra Götaland Region (VGR) for the delivery of Dosell medication dispensers has now been concluded. This follows the earlier communication of the award decision and covers 1,800 units, with a maximum of 2,250. The agreement is owned by Atea Sweden AB.**

This new agreement, extending until 2025 with the possibility of an extension until 2027, underscores iZafe Group's commitment to enhancing the independence of home care recipients through advanced welfare technology.

The framework agreement includes medication robots from Dosell and has an estimated value of SEK 42–52 million. In addition to VGR, 46 municipalities are connected for call-offs under the agreement.

"By signing this agreement, we take another important step forward in providing efficient solutions for medication management. Our collaboration with Atea Sweden and the newly signed agreement with VGR marks a milestone for us in the healthcare and welfare technology sector," says Anders Segerström, CEO of iZafe Group.

Under the agreement, iZafe Group will supply Dosell medication dispensers to care recipients in VGR, aiming to enhance their independence and safety. "We are proud to contribute to improved healthcare quality and more efficient medication management through our innovative products," Segerström adds.
