## About us

---

Coala Life is a medical device company founded in Sweden focusing on cloud-based cardiac and pulmonary diagnostics. The company has developed and launched the Coala Heart Monitor - a multi-award winning, FDA-cleared and CE-approved product platform enabling long-term remote monitoring, analysis and algorithm-based diagnostics of heart and auscultation of lungs, remote in real-time. The Coala Heart Monitor is mainly marketed to healthcare providers as an Rx solution for use in patient's everyday life and home environment. The company's solutions are based on over 10 years of R&D, and are protected by more than 30 patents. The head office is based in Uppsala, Sweden and since 2019, the US office is based in Irvine, California. More than 10,000 patients have used, been diagnosed or are under long-term monitoring with the Coala Heart Monitor. In the Coala Care Portal, there are currently more than 1,700 doctors and nurses connected to more than 500 care providers. The company is listed on Nasdaq First North Growth Market.
