About Nimbus Group

Nimbus was originally founded in 1968 when production of leisure powerboats under the brand Nimbus started. Since then, several brands have been added to the portfolio of what today is the Nimbus Group. Nimbus Group today comprises the brands Alukin, Aquador, Bella, Falcon, Flipper, Nimbus and Paragon Yachts. The Principal Shareholder, R12 Kapital, acquired the majority of the shares in Nimbus Group in 2012, and Nimbus Group is today a leading boat manufacturer in the European market and has since 2017 started to expand in the American market. Nimbus Group's business model is to, through its different brands, offer a broad range of high-quality powerboats where each brand has its distinct target group. Nimbus Group had net sales of SEK 1 029 million in 2020.

From 2014 to 2019, Nimbus Group's net sales increased from SEK 197 million to SEK 930 million. The growth has been driven organically as well as through acquisitions of both distributors and producers. In 2018, Nimbus Group acquired boat producers Alukin Boats Sweden AB and Bella-Veneet Oy (including the brands Aquador, Flipper, Falcon and Bella).

Nimbus Group was listed on Nasdaq Stockholm First North in February 2021.
