Important information

Publication, release, or distribution of this press release may in certain jurisdictions be subject to legal restrictions and persons in the jurisdictions where this press release has been made public or distributed should inform themselves of and follow such legal restrictions. The recipient of this press release is responsible for using this press release and the information herein in accordance with applicable rules in each jurisdiction.

The information in this press release neither contains nor constitutes an offer to acquire, subscribe for or otherwise trade shares, warrants or other securities in Realheart. No action has been taken and no action will be taken to allow an offer to the public in any jurisdiction other than Sweden. The Swedish Financial Supervisory Authority's approval of the Prospectus shall not be construed as an approval of the Company's shares, warrants or other securities. However, this press release is not a prospectus within the meaning of the Prospectus Regulation (EU) 2017 /1129 ("Prospectus Regulation"), and this press release neither identifies nor purports to identify risks (direct or indirect) that may be associated with an investment in shares, warrants or other securities in Realheart. The information in this press release is only intended to describe the background to the Rights Issue and does not claim to be complete or exhaustive. No assurance shall be given with respect to the accuracy or completeness of the information in this press release. Any investment decision should, in order for an investor to fully understand the potential

risks and benefits associated with the decision to participate in the Rights Issue, be based solely on the information in the Prospectus. Therefore, an investor is recommended to read the entire Prospectus. This press release constitutes marketing in accordance with Article 2(k) of the Prospectus Regulation.

The information in this press release may not be published, released or distributed, directly or indirectly, in or to the United States, Australia, Belarus, Hong Kong, Japan, Canada, New Zealand, Russia, Switzerland, Singapore, South Africa, South Korea or any other jurisdiction where such action would be unlawful, subject to legal restrictions or require other actions than those following from Swedish law. Actions in violation of this instruction may constitute violations of applicable securities laws. No shares, warrants or other securities in Realheart have been registered, and no shares, warrants or other securities will be registered, under the then-applicable United States Securities Act of 1933 (the "Securities Act") or securities legislation in any state or other jurisdiction in the United States, and may not be offered, sold or otherwise transferred, directly or indirectly, in or to the United States except in accordance with an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in accordance with securities legislation in the relevant state or other jurisdiction in the United States.

In the United Kingdom, this document and any other materials in relation to the securities described herein is only being distributed to, and is only directed at, and any investment or investment activity to which this document relates is available only to, and will be engaged in only with, "qualified investors" who are (i) persons having professional experience in matters relating to investments who fall within the definition of "investment professionals" in Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (the "Order"); or (ii) high net worth entities falling within Article 49(2)(a) to (d) of the Order (all such persons together being referred to as "relevant persons"). In the United Kingdom, any investment or investment activity to which this communication relates is available only to, and will be engaged in only with, relevant persons. Persons who are not relevant persons should not take any action on the basis of this press release and should not act or rely on it.
