

## M VEST WATER AWARDED CONTRACT FROM A GLOBAL LEADER IN THE AQUACULTURE INDUSTRY

**Bergen, Norway, April 15, 2025 – M Vest Water (EURONEXT: MVW) announces the award of a contract with a Norwegian salmon slaughterhouse.**

MVW has secured an order to implement a significant upgrade to our water treatment solution for salmon slaughterhouses. The solution has been piloted over a period of time, is fully automated, and will significantly improve the treatment effectiveness across all types of contamination. The contract also includes additional sales of water treatment equipment.

“MVW once again demonstrates our position as a frontrunner in developing and providing Best Available Technology (BAT) to the industry. The industry acknowledges that our role goes beyond supplying products and rather recognizes MVW as a partner and solution provider, helping them stay compliant with the discharge regulations imposed on the industry”, says Tor Olav Gabrielsen, Executive Chairman at MVW.
