## Sivers Semiconductors - Paving the way to reach 2023 targets

Redeye thinks the Q1 report was strong and lays a solid foundation for Sivers possibility of reaching its 2023 financial targets of 100%+ topline growth and positive EBITDA in the end of the year. Also, Redeye speculates in Apple being the first F100 customer and Meta the third. Redeye increases its estimates from the first F100 customer but reduces estimates for Ayar Labs. Consequently, Redeye lowers its valuation range.
