Correction: Notice of Annual General Meeting in Maximum Entertainment AB

The correction concerns agenda item 11 in the notice, where it was incorrectly stated that the nomination committee proposed to elect Bart Reefman as board member, which has now been corrected.

Maximum Entertainment AB, Reg. No. 556778-7691, with its registered office in Stockholm, gives notice of the Annual General Meeting to be held on Tuesday 4 June 2024 at 13:00 CEST at Convendum, Kungsgatan 9, SE-111 43 Stockholm. Registration starts at 12:45 CEST.

Right to participate in the Annual General Meeting and notice of participation

Participation at the venue

A shareholder who wishes to participate in the Annual General Meeting at the venue in person or represented by a proxy must (i) be recorded as a shareholder in the share register maintained by Euroclear Sweden AB relating to the circumstances on Monday 27 May 2024, and (ii) no later than Wednesday 29 May 2024 give notice by post to Kungsgatan 9, 111 43 Stockholm, Sweden or via e-mail to ir@maximument.com. When providing such notice, the shareholder shall state name, personal or corporate registration number, address, telephone number and the number of any accompanying assistant(s) (maximum two assistants) as well as information about any proxy.

If a shareholder is represented by proxy, a written, dated proxy for the representative must be issued. A proxy form is available on the company's website, www.maximument.com. If the proxy is issued by a legal entity, a certificate of registration or equivalent certificate of authority should be enclosed. To facilitate the registration at the General Meeting, the proxy and the certificate of registration or equivalent certificate of authority should be sent to the company as set out above so that it is received no later than Monday 3 June 2024.

Participation by advance voting

A shareholder who wishes to participate in the Annual General Meeting by advance voting must (i) be recorded as a shareholder in the share register maintained by Euroclear Sweden AB relating to the circumstances on Monday 27 May 2024, and (ii) no later than Wednesday 29 May 2024 give notice by casting its advance vote in accordance with the instructions below so that the advance vote is received by Maximum Entertainment no later than on that day.

A shareholder who wishes to participate in the Annual General Meeting at the venue in person or represented by a proxy must give notice thereof in accordance with what is set out under *Participation at the venue* above. This means that a notification by advance vote is not sufficient for a person who wishes to participate at the venue.

A special form shall be used for advance voting. The advance voting form is available on the company's website www.maximument.com. A completed and signed form may be submitted by post to Kungsgatan 9, 111 43 Stockholm, Sweden or via e-mail to ir@maximument.com. The completed and signed form shall be received by Maximum Entertainment not later than on Wednesday 29 May 2024. The shareholder may not provide special instructions or conditions in the voting form. If so, the vote (i.e., the advance vote in its entirety) is invalid. Further instructions and conditions are included in the form for advance voting.

If a shareholder votes by proxy, a written and dated proxy shall be enclosed to the advance voting form. A proxy form is available on the company's website www.maximument.com. If the shareholder is a legal entity, a certificate of registration or equivalent certificate of authority should be enclosed. If a shareholder has voted in advance and then attends the Annual General Meeting in person or through a proxy, the advance vote is still valid except to the extent the shareholder participates in a voting procedure at the General Meeting or otherwise withdraws its casted advance vote. If the shareholder chooses to participate in a voting at the General Meeting, the vote cast will replace the advance vote with regard to the relevant item on the agenda.

Nominee-registered shares

To be entitled to participate in the Annual General Meeting, a shareholder whose shares are held in the name of a nominee must, in addition to providing notification of participation, register its shares in its own name so that the shareholder is recorded in the share register relating to the circumstances on Monday 27 May 2024. Such registration may be temporary (so-called voting right registration) and is requested from the nominee in accordance with the nominee's procedures and in such time in advance as the nominee determines. The nomination committee's proposal on guidelines for the composition of the nomination committee and instructions to the nomination committee:

The nomination committee proposes that the meeting resolves on the following principles for the nomination committee. The nomination committee shall consist of representatives of the five largest shareholders in terms of votes as of 30 September 2024. In the event that any of the five largest shareholders waive their right to appoint a representative, the sixth largest shareholder shall be offered to appoint a representative and so on until the nomination committee consists of five members. The majority of the members shall be independent to the company's major shareholders.

The nomination committee shall submit the following resolution proposals to the Annual General Meeting 2025.

- (a) Proposal for chairman of the meeting
- (b) Proposal for the Board of Directors
- (c) Proposal for chairman of the Board
- (d) Proposal for the remuneration of the members of the Board of Directors and the chair of the Board.
- (e) Proposal for remuneration for committee work
- (f) Proposal for principles for the composition of the nomination committee and instructions to the nomination committee.

A member of the nomination committee shall make his or her seat available if the shareholder who appointed this member is no longer one of the four largest shareholders, after which a new shareholder shall be offered the opportunity to appoint a member in order of size. However, unless there are special reasons, no changes shall be made to the composition of the nomination committee if only minor changes in the number of votes have taken place or the change occurs later than three months before the Annual General Meeting 2025. Changes in the composition of the nomination committee shall be announced through a separate press release as soon as possible.

The chairman of the board of the company is responsible for contacting the largest shareholders and managing the formation of the nomination committee in accordance with the procedure described below. The chairman of the company is also responsible for convening the nomination committee, once all members have been appointed, for their

first meeting. The nomination committee shall appoint the chairman of the nomination committee. The members of the nomination committee and the shareholders they represent shall be published on the company's website as soon as possible and no later than six (6) months before the Annual General Meeting 2025, www.maximument.com.

The largest shareholders, who have the right to appoint a representative to the nomination committee, shall receive a written request from the chairman of the Board of Directors of the company inviting them to appoint a representative to the nomination committee, and they shall respond as to whether or not they wish to appoint a representative to the nomination committee no later than seven days from the date on which the request was sent to the shareholder. The response of the major shareholders shall be: (i) unconditional (i.e. the acceptance of the appointment shall not be subject to the fulfilment of certain conditions, events or similar); (ii) final and binding; and (iii) irrevocable (i.e. a shareholder who decides not to appoint a representative may not change such a decision later even if the change is made prior to the disclosure to the market of the members of the nomination committee).

If the response is not provided within the time limit set out above, the shareholder shall be deemed to have unconditionally and irrevocably decided not to appoint a representative to the nomination committee, and a response containing a condition shall also be treated as a decision not to appoint a representative. Where (a) a shareholder responds that it does not wish to appoint a representative; (b) provides a conditional response; or (c) responds after the expiry of the specified time limit, such shareholder has unconditionally and irrevocably waived its right to appoint a representative to the nomination committee. The chairman of the board shall then contact the fifth largest shareholder, etc. using the same method to appoint a representative as above.

Requests and responses in accordance with the above shall be made in writing (e-mail shall be considered written), filed and the Board of Directors of the company shall receive a copy of the documents through the chairman of the Board of Directors. If an application is sent by ordinary mail, the registered address for shareholders in the register administered by Euroclear Sweden AB will be used.

The nomination committee's term of office runs until a new nomination committee has been appointed. The company is responsible for costs related to the work of the nomination committee. Each of the members of the nomination committee are entitled to annual remuneration of SEK 22,000 and the chairman of the nomination committee is entitled to annual remuneration of SEK 44,000 from the company.

If a member of the nomination committee voluntarily resigns from the assignment before his or her work is completed, the shareholder who appointed the resigning member shall appoint a successor, provided that the shareholder is still one of the four largest shareholders in terms of votes represented in the nomination committee. This shall be

done in accordance with the notice, response and deadline procedures set out above, including without limitation reasonable time limits, irrevocable and unconditional responses and such other reasonable procedures as the chair of the committee may decide. Notice shall be given and documents shall be kept as above.

In addition to what is stated above, the Swedish Corporate Governance Code shall be applicable to the nomination committee and its work.

The Major Shareholders' proposal on guidelines for the composition of the nomination committee and instructions to the nomination committee:

The nomination committee shall consist of representatives of the four largest shareholders in terms of number of shares as of the 30 September 2024. In the event that one of the four largest shareholders waives its right to appoint a representative, the fifth largest shareholder shall be offered to appoint a representative and so on until the nomination committee is composed of four members.

The nomination committee shall submit the following resolution proposals to the Annual General Meeting 2025.

- Candidates for the Board of Directors
- Candidate for the chairman of the Board of Directors
- Proposal for the remuneration of the members of the Board of Directors and the chairman respectively
- Proposal for remuneration for work performed in committees within the Board of Directors

- Proposal on the principles for the composition of the nomination committee and instructions to the nomination committee

The nomination committee shall submit their proposal to the chairman of the Board of Directors of the company no later than 8 weeks prior to the date of the Annual General Meeting 2025. To be deemed a valid proposal, the proposal needs to be approved by at least 3 members of the nomination committee.

A member of the nomination committee shall make his/her seat available if the shareholder who appointed him/her is no longer one of the four largest shareholders, after which the new shareholder shall be offered the opportunity to appoint a member in order of size. However, unless there are special reasons, there shall be no changes in the composition of the nomination committee if only minor changes in the number of votes have taken place or the change occurs later than three months before the Annual General Meeting 2025. Changes in the composition of the nomination committee shall be announced in a separate press release as soon as possible.

The chairman of the Board of Directors of the company is responsible for contacting the largest shareholders and establishing the nomination committee in accordance with the procedure described below. The chairman of the Board of Directors of the company is also responsible for convening the nomination committee, once all members have been appointed, for their first meeting. The nomination committee shall appoint the chairman of the Nomination Committee. The members of the nomination committee and the shareholders they represent shall be published on the company's website as soon as possible and no later than six (6) months before the Annual General Meeting 2025, www.maximument.com.

The largest shareholders, who are entitled to appoint a representative to the nomination committee, shall receive a written request from the chairman of the Board of Directors of the company inviting them to appoint a representative to the nomination committee, and they shall respond as to whether or not they wish to appoint a representative to the nomination committee no later than seven days from the date on which the request is sent to the shareholder. The response of the major shareholders shall be:

- i. unconditional (i.e. approval of the appointment may not be conditional on the fulfilment of certain conditions, events or similar);
- ii. final and binding; and
- iii. irrevocable (i.e. a shareholder who decides not to appoint a representative may not subsequently change such decision even if the change is made prior to the announcement to the market of the members of the nomination committee).

If the response is not provided within the time limit set out above, the shareholder shall be deemed to have unconditionally and irrevocably decided not to appoint a representative to the nomination committee, and a response containing a condition shall also be treated as a decision not to appoint a representative. In the case of

- a shareholder responds that it does not wish to appoint a representative.
- gives a conditional response; or

- responds after the expiry of the specified time limit, such shareholder has thereby unconditionally and irrevocably waived its right to appoint a representative to the nomination committee. The chairman of the Board shall then contact the fifth largest shareholder, etc., using the same method to appoint a representative as described above.

Requests and responses as described above shall be made in writing (e-mail shall be deemed to be in writing), filed, and the Board of Directors of the company shall receive a copy of the documents through the chairman of the Board of Directors. If a request is sent by ordinary mail, the registered address for shareholders in the register administered by Euroclear Sweden AB will be used.

The term of office of the nomination committee will run until a new nomination committee is appointed. The company is responsible for the costs associated with the work of the nomination committee. The members of the nomination committee are not entitled to any remuneration from the company.

If a member of the nomination committee resigns before the end of his/her term, the shareholder who appointed the resigning member shall appoint a successor, provided that the shareholder is still one of the four largest shareholders in terms of number of shares represented in the nomination committee. This shall be done in accordance with the procedures regarding notice, response and deadlines prescribed above, including, without limitation, reasonable time limits, irrevocable and unconditional responses and such other reasonable procedures as the chairman of the nomination committee may determine. Notice shall be given, and documents shall be maintained as provided above.

In addition to the above, the Swedish Corporate Governance Code shall apply to the nomination committee and its work.

The Board of Directors or a person appointed by the Board of Directors shall be authorized to make such minor adjustments to this resolution that may be necessary in connection with the registration thereof.
