Trelleborg's acquisition of automotive boots market leader finalized

Trelleborg Group has finalized the acquisition of an operation specializing in automotive boots for the fast-growing Indian light vehicles market. The operation is part of the India-based privately owned company Injectoplast. The acquisition means that Trelleborg further strengthens its globally leading market position in automotive boots.

The company has its head office and manufacturing in Kanpur, in the north of India, close to a light vehicle manufacturing cluster, and has annual sales of approximately SEK 70 M.

The transaction will be consolidated as of May 25, 2023.

A press release regarding the acquisition was published on November 25, 2022.
