# Kollect on Demand Holding AB (publ) announces its support of leading Irish children's charity

Today on Jun 28, 2021, Kollect on Demand Holding AB (publ) ("Kollect" or the "Company") announces its support of Barnardos by providing commercial services at a discounted rate.

Barnardos is a leading Irish charity with a vision that every child can reach their potential. Its mission is to deliver services and work with families, communities and partners to transform the lives of vulnerable children who are affected by adverse childhood experiences.

Its aspiration is to become a leader in the field of trauma-informed work with vulnerable children and families. This means bringing a mind, body and heart approach to its work and draws on recent progress in the understanding of human development and how the brain works.

The charity runs a network of charity shops in certain urban areas primarily to raise funds to support its services. Charity shops also provide environmental benefits by reusing and recycling unwanted goods, which is aligned with Kollect's mission and business.

Kollect is pleased to support Barnardos' invaluable contribution to Irish society by providing waste removal and recycling services for those shops.
