

# W5 Solutions receives an order for 40 MSEK within the live fire training domain

**W5 Solutions receives an order within the live fire training domain from an existing Nordic customer. The combined order value is approximately 40 MSEK. The system will be delivered during 2022 and 2023.**

The customers training ability will be secured for coming years with this procurement. The systems will introduce new enhanced capabilities with deliveries in 2022 and 2023.

Robert Dahlqvist, EVP and head of sales: "We are grateful for the continued trust given by our existing customer".

*This information is information that W5 solutions AB (publ) is obliged to disclose under the EU Market Abuse Regulation. The information was released for public disclosure, through the agency of the CEO, on September 29, 2021, at 16:00 CEST.*
