

About Erik Heilborn

Erik Heilborn, born in 1962, is among other things an educated mechanical engineer from the Royal Institute of Technology, Stockholm and has studied at the Stockholm School of Economics. Erik is also a reserve officer with a background in the Amphibious Corps.

Erik is an experienced business leader from the IT, telecom, defense systems, cyber and service industries with broad experience in strategy, structure, and M&A issues. He has a background from both listed and non-listed environments, both in Sweden and in the Nordic/international markets.

Erik has, among other things, been CEO of Telenordia and IBS, as well as held senior positions within the Telia, TDC and AFRY groups and has recently left AFRY (with business area responsibility for Cyber Defense and Telecommunication systems). Erik is currently a board member of Netnordic Holding A/S (the largest systems integrator in the Nordic region) and advisor to Onlinepartner AB.

Erik Heilborn is independent in relation to the company, the company management and the company's major shareholders.
