

HydrogenPro ASA: Correction to Stock Exchange Notice Regarding Private Placement

Oslo, 22 June 2026: Reference is made to the stock exchange notice published earlier today, 22 June 2026, by HydrogenPro ASA ("HydrogenPro" or the "Company") titled *"HydrogenPro ASA: Secures NOK 15 million from new investors"*

The Company hereby issues a correction to the first paragraph of the announcement. The statement that the Private Placement was directed towards "an existing shareholder" was included in error and should be disregarded. The Private Placement was directed solely towards certain new investors.

All other information contained in the stock exchange notice remains unchanged.

About HydrogenPro:

HydrogenPro, established in 2013, specializes in pioneering green hydrogen technology solutions through partnerships with global collaborators and suppliers. Our flagship products are high-pressure alkaline electrolyzers, incorporating some of the most advanced technology available. As an OEM, we provide high-pressure alkaline electrolyzers and supply large-scale green hydrogen plants, all certified to ISO 9001, ISO 45001, and ISO 14001 standards. Our experienced engineering team consists of leading industry experts, drawing upon unparalleled knowledge and expertise in the hydrogen and renewable energy sectors.
