

Hemnet's Board of Directors proposes the dividend to be paid in two instalments – total dividend amount unchanged

In order to better align the dividend distribution with the group's cash flow profile, the Board of Directors of Hemnet Group AB (publ) ("Hemnet") proposes that the upcoming Annual General Meeting resolves that the dividend for the financial year 2025 be paid in two equal instalments rather than one. The previously communicated proposed total dividend amount of SEK 1.90 per share remains unchanged.

The Board of Directors proposal means that the dividend of SEK 1.90 per share will be paid in two equal instalments of SEK 0.95 per share each. At the first instalment SEK 0.95 per share will be paid with Tuesday 12 May 2026 as the record date. At the second instalment SEK 0.95 per share will be paid with Friday 13 November 2026 as the record date. The dividend is expected to be distributed by Euroclear on Monday 18 May 2026 and Wednesday 18 November 2026, respectively. The proposal is subject to approval by the Annual General Meeting.

This represents a change from what was communicated in connection with the interim report for the fourth quarter of 2025, which indicated that payment would be made in a single instalment.

Hemnet's financial calendar will be updated accordingly and made available at the company's website, www.hemnetgroup.se.
