
Robert Balson appointed VP North America and President NCAB USA

Robert Balson will start in the position on January 1, 2022 and will also become a member of Group Management in NCAB.

He comes from Sanmina and brings an extensive experience from the electronics industry. He has held leading positions in technical sales and marketing as well as business development in both component manufacturers, distributors and contract manufacturing. Former president in NCAB USA Martin Magnusson has decided to move back to Sweden and will secure a smooth handover to Robert and continue to work with the integration of Elmatica.
