

Divio receives an order of SEK 12 million and an advance payment of SEK 8 million by renewing the support agreement with one of its largest customer until the end of 2026

Divio Technologies AB (publ) announces that it has renewed the support agreement with one of its largest customers until the end of 2026. Through the agreement, an order value of approximately SEK 12 million is secured. About SEK 8 million of the total contract value will be prepaid by the customer in Q1 2024 and the agreement will increase the MRR by approximately 2.800 USD per month.

"We are happy to announce that one of our most important customers has chosen to extend their support contract with us. In addition to offering an outstanding product overall, they are extending the contract because of our solution-oriented consultative support with quick response, which is extremely valuable to all our customers", says Divio's CEO Jon Levin.
