### **Information about PMDS**

---

PMD Device Solutions AB develops and sells medical products for respiratory monitoring in both the hospital acute monitoring sector and the remote monitoring homecare sector. Its primary product is RespiraSense, a solution used for monitoring respiratory rate to support the detection of patient deterioration early and to avoid preventable respiratory failure and adverse patient outcomes. RespiraSense is, to the Company's knowledge, the world's only continuous, motion-tolerant respiratory rate monitor delivering class-leading reliability in measuring respiratory rate. RespiraSense is a novel technology that is commercialised in Europe, the UK, and FDA cleared in the US. The company's shares are listed on Nasdaq First North Growth Market (STO: PMDS).
