About us

Svedbergs Group is a long-term investor in Europe's strongest independent companies that design, manufacture and market sustainable bathroom products and services.

We are growing through organic growth and acquisitions that complement and strengthen our group through new product categories, geographic spread and new knowledge in marketing, innovation and sustainability.

We create value by sharing each company's unique expertise with the rest of the group, and we care about maintaining the entrepreneurial drive and commitment of the companies. We call this cooperation without confusion.
