About Ortelius

Ortelius International is a Swedish company at the forefront of AI- and data-driven business operations. Since the early 2000s, we have supported leading enterprises in establishing reliable data foundations, robust governance frameworks and advanced digital capabilities for effective decision-making and sustainable competitiveness.

Building on this expertise, Ortelius today enables organizations to realize the full potential of AI by ensuring data quality, governance and readiness are in place. With offices in Malmö and Gothenburg, we work with some of the world's largest companies to strengthen resilience, adaptability and long-term preparedness in an AI-driven era.
