

Share-based incentive scheme

The share-based incentive scheme resolved by the 2024 Annual General Meeting where around 25 members of senior management were offered to acquire up to 250,000 call options on repurchased class B shares has been fully subscribed.

The call options are transferred at a price of SEK 34.45 per call option, equivalent to the market value according to an external independent valuation, applying the Black & Scholes-model. The redemption price of the call options amounts to SEK 378.30, equivalent to 120 percent of the volume-weighted average of the paid market price for the shares during the period from 30 August to 12 September 2024, inclusive. Each call option entitles the holder to acquire one repurchased class B share during the period from 10 September 2027 to 2 June 2028, inclusive.
