

## Qben Infra's platform company Team 1435 awarded significant railway contract of NOK 466 million

Team 1435, a subsidiary of the Qben Infra-owned Nordic Infrastructure Group, has been awarded a contract for the replacement of sleepers and rails on the Nordlandsbanen railway line, valued at NOK 466 million.

The contract includes track renewal, including the replacement of ballast on approximately 34,500 track meters in 2025, with an option for 36,500 track meters in 2026 and 26,000 track meters in 2027.

The contract work is planned to be carried out during track closures over 43 days in May/June each year.

Gjermund Sogn, CEO of Nordic Infrastructure Group, commented on the contract win: "We are thrilled to have been awarded this significant contract by Bane Nor. This project underscores our commitment to delivering high-quality infrastructure solutions and further strengthens our position in the railway construction industry."

The closing date for submission of complaints is March 17, 2025, and formal contractual signing can take place after this date at the earliest.
