

Largest Owner and CEO Increase their Subscription in Clavister's Rights Issue

Örnsköldsvik, Sweden - 25 January 2024 – Clavister, a leader in European cybersecurity for mission-critical applications, announces that the largest owner as well as the CEO increase their subscription in the current rights issue.

Clavister's largest owner, PA Bendt AB, increases its subscription in the rights issue to a total of 27 MSEK from the earlier communicated subscription commitment of 12 MSEK. Clavister's CEO and co-founder John Vestberg increases his subscription in the rights issue to a total of 820 TSEK from the earlier communicated subscription commitment of 150 TSEK. Both subscriptions are made based on assigned unit rights, in other words within the scope of the each owner's preferential rights.

About Clavister

Clavister is a specialised Swedish cybersecurity company, protecting customers with mission-critical applications for more than two decades. Founded and headquartered in Örnsköldsvik, Sweden, Clavister pioneered one of the first firewalls and continues to build robust and adaptive cybersecurity solutions since. Empowering a growing ecosystem of partners and resellers, we are serving customers in more than 100 countries with deployments across the public sector, energy, telecom and defence sectors.

The stock, Clavister Holding AB, is listed at Nasdaq First North Growth Market. FNCA Sweden AB is the Company's Certified Advisor.
