

Billecta AB accepted into Mastercard Lighthouse FINITIV

SaveLend Group AB's subsidiary, Billecta AB ("Billecta" or the "Company"), has been accepted into the Mastercard Lighthouse FINITIV program for the fall of 2025. After a thorough selection process involving around 80 applicants, Billecta was chosen as one of only 15 companies in the Nordics and Baltics to participate.

Mastercard Lighthouse FINITIV is a partnership program aimed at strengthening the financial services ecosystem. The program brings together the innovative power of fintechs with the global reach and stability of Mastercard, leading banks, investors, and strategic partners. Through workshops and exclusive networking events, participants gain access not only to key industry players and technical advisors, but also the opportunity to showcase themselves to Mastercard's extensive investor network.

"Being accepted into Mastercard Lighthouse FINITIV is a significant opportunity for Billecta. It opens doors to new partnerships, provides access to strategic advice, and strengthens our position for the next stage of our growth journey," says Mats Röjdmarm, CEO of Billecta AB.

Throughout the fall, Billecta will participate in workshops, connect with industry stakeholders and business developers, and work with Mastercard and its partners to concretize new collaboration models. This participation strengthens the Company's profile as a strong player in smart invoicing solutions and fintech services for businesses in the Nordics.
