Resolution regarding amendments to the long term incentive program 2020 (LTIP 2020) (item 8)

At the Annual General Meeting of the Company on 13 May, 2020 ("**2020 AGM**"), a long-term share incentive plan was approved for up to six (6) key employees in the Company ("**Old LTIP 2020**"). In connection with the approval of Old LTIP 2020, it was further approved to issue 2020 Plan Shares (as defined below) and to amend the by-laws of the Company. Following the approval of the Old LTIP 2020, some of the largest shareholders of the Company have requested that certain changes are made to Old LTIP 2020.

The Board therefore proposes to amend the terms of Old LTIP 2020 in accordance with the below ("**LTIP 2020**"). LTIP 2020 is a five year performance-based incentive program which in structure and terms is based on Old LTIP 2020.

LTIP 2020 requires that the Meeting resolves (i) to adopt the New Bye-Laws (as defined below) and (ii) on an issue of the 2020 Plan Shares (as defined below) to the participants in LTIP 2020, in accordance with the Board's proposals for the Meeting in items 8(b) and 8(c) below.

Amendments to the terms and conditions of LTIP 2020 (item 8(a))

Comparison with Old LTIP 2020

There are mainly three changes proposed for the new LTIP 2020:

1. The Measurement period will be extended from three years to five years.
2. The reclassification terms/performance multiplier are changed. If the entry level is reached, 10/35 of the 2020 Plan Shares will be reclassified; if the target level is reached, 20/35 of the 2020 Plan Shares will be reclassified and if the stretch level is reached, all of the 2020 Plan Shares will be reclassified; as Common Shares. If the performance level is between the entry level and target level, or between target and stretch level, the 2020 Plan Shares will be reclassified on a linear basis between the respective milestones.
3. The maximum number of 2020 Plan Shares that the participants can subscribe for will change from 13,640,000 2020 Plan Shares to 33,250,000 2020 Plan Shares.

Summary of new LTIP 2020

LTIP 2020 is based on the following structure:

- A new share class in Vostok Emerging Finance ("**2020 Plan Shares**") has been introduced in the by-laws of the Company at the AGM 2020 and is proposed to be further amended as set out in agenda item 8 (b) below (the "**New Bye-Laws**").
- According to the New Bye-Laws, the 2020 Plan Shares, under certain conditions, will be reclassified as Vostok Emerging Finance common shares ("**Common Shares**"), which following registration will be admitted to trading on Nasdaq First North Growth Market in the form of Swedish Depository Receipts of the Company ("**SDR**").
- The number of 2020 Plan Shares that will be reclassified as Common Shares is dependent on the extent to which the performance measure has been met during the period 1 January 2020 – 31 December 2024 (the "**Measurement Period**"). 2020 Plan Shares that are not reclassified into Common Shares will be redeemed by the Company.
- Participation requires a personal investment in SDRs in the Company (the "**Investment SDRs**").

- In addition, reclassification of the 2020 Plan Shares into Common Shares requires that the participant is employed by the Vostok Emerging Finance group, and has kept the Investment SDRs throughout the five-year vesting period, ending after release of Vostok Emerging Finance's interim financial report for the period January-March 2025 (the "**Vesting Period**").
- In total, the participants in LTIP 2020 may subscribe for up to 33,250,000 2020 Plan Shares, out of which 13,640,000 2020 Plan Shares have already been subscribed for, and upon reclassification one (1) Incentive Share will be reclassified into one (1) Common Share.

Adoption of the plan

Participants in LTIP 2020

Up to six (6) employees in Vostok Emerging Finance will be entitled to participate in LTIP 2020.

Personal investment in SDRs

In order to participate in LTIP 2020, the employees are required to invest in Investment SDRs when giving notice of participation and subscribing for the 2020 Plan Shares.

The Investment SDRs may be SDRs acquired for LTIP 2020, or the employee may allocate SDRs already held to LTIP 2020 (which are not already allocated to the 2018 or 2019 LTIPs) as Investment SDRs.

General terms and conditions for the 2020 Plan Shares

The 2020 Plan Shares, both those already subscribed for and any new 2020 Plan Shares issued, shall be governed by the New Bye-Laws. The New Bye Laws will be supplemented by an agreement to be entered into with the respective participant prior to the participant subscribing for the 2020 Plan Shares.

The main terms and conditions for the 2020 Plan Shares according to the New Bye-Laws and/or the separate agreements between Vostok Emerging Finance and each respective participant are the following:

- The participants will subscribe for 2020 Plan Shares for USD 0.01 for each Incentive Share (i.e. the par value of outstanding and fully paid Common Shares).
- If and to the extent the performance-based condition for reclassification of the 2020 Plan Shares has been fulfilled, the 2020 Plan Shares will be reclassified after the Vesting Period. Upon reclassification, one (1) Incentive Share will be reclassified to one (1) Common Share.
- To the extent that the performance-based condition for reclassification of the Incentive Share has not been fulfilled, the Incentive Share will be redeemed by Vostok Emerging Finance after the Measurement Period. In addition, the Board has the right to redeem an Incentive Share at any time if redemption is requested by the participant.
- In order to align the participants' and shareholders' interests, the participants will be compensated for dividends and other value transfers to the shareholders during the Measurement Period. However, dividend compensation will be paid only if and to the extent the performance-based condition for reclassification of the 2020 Plan Shares have been fulfilled.
- The agreements with the participants will include an irrevocable request from the participant to redeem the participant's 2020 Plan Shares (all or a portion as the case may be) if (a) the participant has not allocated the committed Investment SDRs prior to 31 December 2020, *or* (b) the participant transfers, sells, pledges, lends or otherwise disposes of the Investment SDRs during the Vesting Period, *or* (c) the participant ceases to be employed by the Vostok Emerging Finance group, subject to certain exceptions as set out below, during the Vesting Period, *or* (d) in case a redemption is necessary to ensure that LTIP 2020 is compliant with laws and regulations. As regards (c) above, a participant will not be required to request redemption of the 2020 Plan Shares in the event of death, disability or retirement. In addition, the Board may decide to waive redemption in any particular case.

- The agreements with the participants also include (a) a market condition and (b) a right for Vostok Emerging Finance to reclaim the subsidy (see below), if the participant transfers the 2020 Plan Shares prior to reclassification or redemption of the 2020 Plan Shares.
- Any 2020 Plans Shares already subscribed for by the participants as well as any newly issued 2020 Plan Shares shall be governed by these new terms and the New Bye-Laws.
- *Performance-based conditions for reclassification of the 2020 Plan Shares*

The number of 2020 Plan Shares that shall be reclassified into Common Shares is based on the level of fulfilment of the performance-based condition during the Measurement Period.

The performance condition is based on the measurement of Vostok Emerging Finance's average annual net asset value development per share ("**NAV per share**") during the Measurement Period. The three target levels (entry, target and stretch) for the performance condition are 10 percent average NAV per share development per year as entry level, 15 percent average NAV per share development per year as target level and 20 percent average NAV per share development per year as stretch level.

If the entry level is reached, ten thirty-fifths (10/35), approximately 28.6 percent, of the 2020 Plan Shares will be reclassified as Common Shares. If the target level is reached, twenty thirty-fifths (20/35), approximately 57.1 percent, of the 2020 Plan Shares will be reclassified as Common Shares. If the stretch level is reached, all of the 2020 Plan Shares will be reclassified as Common Shares. If the performance level is between the entry level and target level, or between target and stretch level, the 2020 Plan Shares will be reclassified on a linear basis between the respective milestones (between 10/35 and 20/35 and between 20/35 and 1, respectively). All 2020 Plan Shares that are not reclassified into Common Shares will be redeemed by Vostok Emerging Finance after the Measurement Period.

See the New Bye-Laws for more information regarding the performance-based condition.

Allocation – subscription for 2020 Plan Shares

LTIP 2020 is proposed to comprise up to 950,000 Investment SDRs, entitling participants to subscribe for, in aggregate, up to 33,250,000 2020 Plan Shares, out of which 13,640,000 2020 Plan Shares have already been subscribed for. LTIP 2020 will comprise up to the following number of Investment SDRs and 2020 Plan Shares for different categories of participants:

- the CEO of Vostok Emerging Finance can allocate up to 380,000 Investment SDRs, entitling the CEO to subscribe for up to 13,300,000 2020 Plan Shares, out of which he has already subscribed for 5,456,000 2020 Plan Shares; and
- other members of the management team and key employees (5 individuals) can allocate up to 570,000 Investment SDRs in total, entitling them to subscribe for up to 19,950,000 2020 Plan Shares, out of which they have already subscribed for 8,184,000 2020 Plan Shares in total.

The number of 2020 Plan Shares that a participant may subscribe for is based on the participants' competence, area of responsibility as well as the number of Investment SDRs allocated to LTIP 2020. The Board will determine the final number of Investment SDRs allocated to each participant. The Board may decide that any Investment SDRs not allocated to the CEO shall be allocated to other members of management and key employees.

Reclassification

Reclassification of the 2020 Plan Shares to Common Shares will be made after the Measurement Period. The maximum number of 2020 Plan Shares that can be reclassified amounts to 33,250,000. Maximum outcome assumes full participation in LTIP 2020, no personnel turn-over during the Vesting Period, and that the performance condition has been fulfilled during the Measurement Period (i.e. that the stretch target have been achieved).

Information about the outcome of LTIP 2020 will be presented in the Annual Report for 2024.

Subsidy of tax impact

Vostok Emerging Finance will grant a cash subsidy to the participants in LTIP 2020 to compensate for the tax impact arising due to the fact that the subscription price for the 2020 Plan Shares is below fair market value (see below under the heading "Cost, scope and effects on key ratios". The cash subsidy will correspond to, and cover, the tax impact for the participant and may also cover the subscription price for the 2020 Plan Shares.

Costs, scope and effects on key ratios

PwC has provided a valuation model for the 2020 Plan Shares using the Monte Carlo method. The valuation derived is based on input from the Company. Based on a price for Vostok Emerging Finance's SDRs of SEK 2.70 and the market conditions that prevailed on 18 September 2020, the value per Incentive Share has been estimated to be SEK 0.22. The 2020 Plan Shares issued in the Old LTIP 2020 had a different valuation and will be revaluated upon changing the terms of LTIP 2020 in accordance with the proposal by the Board of Directors. It is noted that 13,640,000 2020 Plan Shares have already been subscribed for and the Company has incurred a cost of SEK 4.2 m for the Old LTIP 2020.

Based on the assumption of full participation in LTIP 2020 (i.e. 6 participants, in total 950,000 Investment SDRs and 33,250,000 2020 Plan Shares) and a total fair market value of the 2020 Plan Shares of SEK 7.4 m (based on an estimated value per Incentive Share of SEK 0.22 the total cost for LTIP 2020, including social security costs, is estimated to amount to approximately SEK 18.0 m, out of which the Company has already taken SEK 4.2 m of that cost. The increased cost is mainly a factor of changing the terms of the program and the increased program size.

Given that the actual cost for Vostok Emerging Finance will be based on the prevailing price of Vostok Emerging Finance's SDRs in connection with subscription of the 2020 Plan Shares, Vostok Emerging Finance's costs may deviate from the estimates set out above.

The maximum dilution due to LTIP 2020 is no more than 5.0% percent in terms of outstanding shares and votes. The number of 2020 Plan Shares may change during the Measurement Period due to intervening bonus issues, reverse splits, splits, rights issues and/or other similar events.

Preparation and administration

Vostok Emerging Finance's Board has prepared LTIP 2019, on which LTIP 2020 is modelled, in consultation with external advisors.

The Board of Directors shall be responsible for preparing the detailed terms and conditions of the agreements with the participants in LTIP 2020, in accordance with the mentioned terms and guidelines and the New Bye-Laws. To this end, the Board of Directors shall be entitled to make adjustments to meet regulatory and tax requirements or market conditions. The Board of Directors may also make other adjustments, including deciding to reduce the number of 2020 Plan Shares that shall be reclassified for all participants, or for certain categories of participants, covered by the LTIP 2020, if significant changes in the Vostok Emerging Finance group or its operating environment would result in a situation where the decided terms and conditions of LTIP 2020 no longer serve their purpose, however, always observing the provisions of the New Bye-Laws and any adjustments shall only be made in order to fulfil the main objectives of LTIP 2020.

Amendment of the Company's Bye-Laws (item 8(b))

The Board of Directors proposes to amend paragraphs 1.1 and 2.1 of the Company's Bye-Laws in order to amend LTIP 2020 and enable the issue of the additional 2020 Plan Shares under LTIP 2020 under items 6(a) and 6(c). The Board's complete proposal is set out in **Appendix A** to this notice.

Issue incentive shares to participants (item 8(c))

The Board of Directors proposes that the Meeting resolves on a directed new share issue of 2020 Plan Shares (as defined in the Bye-Laws) to the participants in LTIP 2020. The new share issue of 2020 Plan Shares to the participants in LTIP 2020 is conditional upon the Meeting resolving to amend the Bye-Laws in accordance with item 8(b). The following terms shall apply:

- The issue of new 2020 Plan Shares will increase the share capital of the Company by no more than US\$ 196,100 through the issue of no more than 19,610,000 2020 Plan Shares.
- The subscription price for each 2020 Plan Share is US\$0.01.
- The participants in the LTIP 2020 shall be entitled to subscribe for the number of 2020 Plan Shares as allocated and determined by the Board of Directors.
- The subscription of the 2020 Plan Shares shall be made by payment in cash, and according to the Company's instructions, between 1 November, 2020 – 31 December, 2020. Oversubscription may not occur.
- The 2020 Plan Shares are subject to the reclassification and redemption clauses in the Bye-Laws.
- The reason for the proposed deviation from the shareholders' preferential rights, and the basis for setting the subscription price of the 2020 Plan Shares to US\$0.01 (the par value), is that the new share issue of the 2020 Plan Shares is an integral part of the implementation of LTIP 2020. The Board considers that LTIP 2020 will be for the benefit of the Company's shareholders as set out in the proposal for LTIP 2020 in item 8(a) above.

Resolution regarding authorization for the Board of directors to issue new shares (item 9)

The Board proposes that the Meeting adopts a resolution to authorize the Board, until the end of the next annual general meeting, at one or several occasions, to resolve on the issue of new common shares, to be represented by Swedish Depository Receipts.

The Board is authorized to issue new common shares in the form of a directed issue with deviation from the common share shareholders' preferential rights. The purpose of the authorization is to increase the Company's financial flexibility for new investments and to support existing portfolio companies as well as broadening the shareholder base, if needed. The Board shall have the right to resolve that the shares shall be paid in cash or be paid in kind or that the shares shall be subscribed for with a right of set-off. The Board's resolutions to issue shares with deviation from the common share shareholders' preferential rights may result in an increase of the number of shares in the company of not more than 25 percent of the outstanding shares at the time the authorization is adopted, in aggregate.

The Board, or any person appointed by the Board, shall be authorized to make minor adjustments of the resolution by the Meeting in order to fulfil the registration with the Bermuda Companies House.

Resolution to change the Company's name from Vostok Emerging Finance to VEF (item 10)

The Board proposes to change the Company's name from Vostok Emerging Finance to VEF.

Further, an amendment to the Company's Bye-Laws is also proposed, whereby the name of the Company as stated in the Bye-Laws is changed from "Vostok Emerging Finance Ltd." to "VEF Ltd."

With reference to the above, the Board proposes the Section 1.1 of the Bye-Laws, referring to the definition "Company" shall read as follows:

“Company” The company with the name Vostok Emerging Finance Ltd. incorporated in Bermuda on the 28th day of May 2015 and subsequently renamed VEF Ltd.;

Furthermore, the first page of the Bye-Laws shall read as follows:

Amended and restated Bye-Laws of VEF Ltd.

Majority requirements

Resolutions in accordance with items 8(b)-(c), 9 and 10 above require approval of at least two thirds (2/3) of the votes cast at the Meeting. The resolutions under items 8(a)-(c) are conditional upon each other.
