## **Instalco announces resolution on transfer of treasury shares**

**On 16 April 2026, Instalco announced that the group had entered into an agreement to acquire 70 per cent of the shares in Defensio Invest AB, a group of companies operating under the TSM Taksäkerhetsmontörerna brand. Under the agreement, part of the purchase price is to be paid through a transfer of treasury shares. The board of Instalco has therefore today resolved, making use of the authorisation granted by the 2025 Annual General Meeting, to transfer 310,545 treasury shares to the sellers.**

The transfer of treasury shares was carried out at a valuation of approximately SEK 37.60 per share, corresponding to the volume-weighted average price of the Instalco share on 29 and 30 April 2026. Following the transfer, Instalco no longer holds any treasury shares.
