JUMP GATE ANNOUNCES THAT STAR TREK: VOYAGER – ACROSS THE UNKNOWN IS NOW AVAILABLE AT SELECTED EUROPEAN RETAILERS

Jumpgate studio gameXcite and publisher Daedalic Entertainment today releases the physical retail edition of *Star Trek: Voyager - Across the Unknown* for PlayStation 5 and Xbox Series X at select retailers across Europe. For captains who still prefer to keep their adventures proudly displayed on the shelf, this collector-worthy release brings the journey home, with no replicator required. Available for €39.99, the boxed edition includes the complete base game and the new Deluxe Edition DLC.

Star Trek: Voyager – Across the Unknown puts players in command of the iconic U.S.S. Voyager, guiding its crew through the unexplored reaches of the Delta Quadrant. Blending strategy, survival and management, the game challenges captains to maintain their ship, manage limited resources and make difficult decisions that can reshape Voyager's journey home.

The physical release arrives alongside a growing lineup of post-launch content.

The additional content includes:

- **The Expansion Pass:** Includes four premium DLCs, beginning with the recently released *Delta Chronicles*, which introduced five new side missions, two playable heroes, additional ships and new technologies. The Expansion Pass is available for digital purchase only and is not included with the physical Deluxe Edition.
- **Patch 1.8:** A free expansion update that includes seven new ship quests and events, interface improvements, balancing adjustments and quality-of-life updates, shaped in close collaboration with the community.

The physical edition of *Star Trek: Voyager – Across the Unknown* is now available at select retailers across Europe for PlayStation 5 and Xbox Series X, with a physical Nintendo Switch 2 release planned for a later date.
