## Thule Tepui Foothill takes Gold at ISPO Award 2021

**With the ISPO Award, the internationally leading sports network ISPO honors the highlight products of the sports industry every year. The independent ISPO Award Jury selects the best products for the award, which are the result of innovation, passion, and creativity.**

This year, Thule was awarded “Gold Winner” for the rooftop tent Thule Tepui Foothill – a spacious rooftop tent that sleeps two adults and folds compactly, preserving valuable space on the car roof for other cargo.

Many outdoor enthusiasts love the idea of rooftop tents and the freedom to stay overnight in any location. Thule Tepui Foothill makes it possible to bring bikes, kayaks and other cargo thanks to a very small footprint on the car roof – and still be large enough to comfortably sleep two adults.

Thule Tepui Foothill is the latest addition to the Thule range of rooftop tents.
