

Personligt Städ i Väst joins KEYTO Group

KEYTO Group continues to expand its cleaning offering through the addition of Personligt Städ i Väst (Bessie Service AB).

KEYTO Group announces that Personligt Städ i Väst, a provider of home cleaning and office cleaning services based in Näset, Gothenburg, is joining the Group.

The addition marks KEYTO Group's second partnership in the Gothenburg region within a short period of time, underlining the Group's strategic ambition to continue building a strong regional density in key markets. By increasing local presence, KEYTO enhances operational scale and long-term growth potential in western Sweden.

Personligt Städ i Väst delivers recurring home cleaning and office cleaning services across Gothenburg and surrounding municipalities and has built a strong reputation for quality, reliability and close customer relationships.

"We are pleased to welcome Personligt Städ i Väst to KEYTO Group. With two additions in Gothenburg in a short timeframe, we are clearly strengthening our geographic footprint in the region" says Magnus Agervald, CEO of KEYTO Group.

We warmly welcome all employees and customers of Personligt Städ i Väst to the KEYTO family.
