First trading day for Salix Group on Nasdaq Stockholm

Today, 15 June 2026, Salix Group AB ("Salix Group") begins trading as an independent listed company on Nasdaq Stockholm following the separation from Volati AB ("Volati").

The Annual General Meeting of Volati resolved on 29 April 2026 to distribute all of Volati's shares in its subsidiary Salix Group to Volati's ordinary shareholders. All shares held by Volati in its subsidiary Salix Group have been distributed to Volati's ordinary shareholders, whereby one (1) ordinary share in Volati entitled the holder to one (1) share in Salix Group. The shares in Salix Group are traded under the ticker symbol SALIX and have the ISIN code SE0028329540.

– We are pleased to see Salix Group and Volati as two separate listed companies that can fully focus on continued growth in their respective businesses. Volati, which through the separate listing has once again demonstrated its ability to build successful platforms that can be distributed to shareholders, can now focus entirely on developing its remaining platforms over the long term – which we are convinced is the right path to maximise value for the shareholders, says Andreas Stenbäck, CEO of Volati.

More information about the listing and the distribution of Salix Group, including the prospectus, information brochure, key dates and events, is available on Volati's website, www.volati.se/sv/investerare/sarnotering-salix-group.
