

## VALUNO GROUP ANNOUNCES THAT THE SWEDISH FINANCIAL SUPERVISORY AUTHORITY WILL CONDUCT A SUPERVISORY INVESTIGATION

Valuno announces that the Swedish Financial Supervisory Authority (“SFSA” or “Finansinspektionen”) has informed the company of its intention to conduct an investigation into the subsidiary QB Europe AB's compliance with anti-money laundering regulations.

Valuno's subsidiary, QB Europe AB, operates under the SFSA's supervision as a financial institution. The SFSA continuously conducts regular investigations of supervised entities across a range of areas and regulatory frameworks. In this case, the SFSA intends to examine QB Europe AB's compliance with anti-money laundering regulations.

Valuno considers this investigation to be of a routine nature, making it a natural and recurring aspect of the SFSA's supervisory activities. FI's decision has been published on fi.se.
