

BIMObject to present product releases for Q3 at digital launch event

On Tuesday, 14 September, BIMObject will present new products and services to its users and customers.

At the launch event, the company will present [a completely new user experience](#) on bimobject.com, the global marketplace for architects and engineers. It will also introduce a new solution for the company's customers, i.e. manufacturers of building products, that makes it easier for them to keep track of their current reach and potential audience on the platform.

The product launches will be presented in a webinar hosted by the BIMObject's CEO, Carl Silbersky, on 14 September. To register for the webinar, please sign up here: <https://business.bimobject.com/product-updates/what-s-new-on-bimobject/>

About BIMObject

We can't go on building like we do today. BIMObject is on a mission to digitalise construction for a more sustainable future. We're a global marketplace for the construction industry, that provides architects and engineers with the information and inspiration they need to design buildings faster, smarter and greener.

With 2,000+ building product brands* and 100 of the world's top 100 architect firms among our users, we power digital building design worldwide. In 2020, the company had annual net sales of SEK 137 million.

BIMObject's shares are traded on Nasdaq First North under the ticker: BIM.
Certified Advisor: FNCA Sweden AB, info@fnca.se, +46-8-528 00 399.

** Defined as the number of unique brands (including subsidiaries with separate product ranges) with products available for download on bimobject.com.*
