The purpose is to adjust the company's capital structure, contributing to increased shareholder value. Repurchases are also made to ensure the delivery of shares and related costs, such as social security contributions, for the Performance Share Program (PSP) 2025/2027.

The share buybacks form part of the buyback program of a maximum of 2,500,000 shares of series B for a total maximum amount of SEK 500 million, which Trelleborg announced on April 24, 2025. After the decided buybacks have been carried out, the Board of Directors will take a new position on the level of buybacks of own shares. The purpose of the Board of Directors' decision is to adapt the company's capital structure and thereby contribute to increased shareholder value. The intent is that the repurchased shares later will be canceled by resolution of upcoming Annual General Meetings, except for the shares repurchased for the incentive program PSP 2025/2027.
