About Us

Careium is a leading provider in Europe of technology-enabled care solutions, enhancing the safety, independence, and quality of life for seniors while improving operational efficiency for care providers. Careium is one of the few players that delivers end-to-end digital assisted living systems, including security alarms, smart sensors, accessories and secure communication platforms with alarm response.

By combining innovation with regulatory compliance, Careium empowers care providers to deliver smarter, safer, and more cost-effective support, freeing resources for higher-value care. Demand for home-based care solutions grows, and our recurring revenue model and technology gives us a strong position in the care tech market. The company is listed at Nasdaq First North Stockholm with FNCA Sweden AB as the Certified Adviser.
