Instabank ASA: Contemplating issuance of Additional Tier 1 capital

Instabank ASA has mandated DNB Carnegie to arrange a potential issue of a perpetual Additional Tier 1 (AT1) bond of up to NOK 80 million. The bond will have a first call option for the issuer after a minimum of five years, subject to approval from the Financial Supervisory Authority of Norway (Finanstilsynet), if required.

The issue has been approved by the bank's General Meeting. If issued, an application will be made for the bond to be listed on Euronext ABM
