

# Paxman announce Nelson Arcos S.A. as their global distribution partner for Paxman equipment in Uruguay

**Headquartered in Uruguay's capital of Montevideo, Nelson Arcos S.A. are one of the leading medical technology companies in the country.**

A long established importer and exclusive supplier of world-leading medical equipment, pharmaceuticals and devices to hospitals across the country, Nelson Arcos have over 35 years' experience in the sector. Their reputation and their committed approach to their established customer base will play an important role in navigating the regulatory processes and registration of Paxman Scalp Cooling and for an effective product launch in the region.

Uruguay has a low population density with half of the people concentrated in the metropolitan area of Montevideo. The country's population of 3,490,048 has the highest cancer incidence in Latin America, with the combined cancer rate for men and women of 263.4 people per 100,000 - breast cancer is ranked second highest tumour type with almost 1900 cases per annum.

## About Us

The Paxman Scalp Cooling System has been developed by the Paxman family to reduce hair loss in breast cancer patients undergoing chemotherapy. The concept behind the system came when the mother of four, Sue Paxman, experienced first-hand the trauma of chemotherapy-induced hair loss. With close to 3,500 systems delivered in to hospitals, clinics and treatment centres around the world, PAXMAN is the leading supplier of Scalp Cooling technology. PAXMAN's scalp-cooling cap is made from lightweight, biocompatible silicone that is soft and flexible, providing a snug yet comfortable fit during treatment. PAXMAN AB (publ) has its headquarters in Karlshamn (Sweden), with subsidiaries in Huddersfield (UK) and Houston, Texas (US).

The PAXMAN share is listed on Nasdaq First North Growth Market. FNCA Sweden AB is the company's Certified Adviser and can be contacted via [info@fnca.se](mailto:info@fnca.se) and +46 (0)8 528 003 99.
